SEASONS GREETINGS

May all that is beautiful,
meaningful, and brings you joy be
yours this Holiday Season and
throughout the coming year.
From your Bonn Trae Club

SPONSORSHIP & MEMBERSHIP RECOGNITION

by Dominique Sutherland

As the 2021 Sled season approaches we would like to recognize
and THANK those sponsors in 2020 for their contributions.

We will also be looking at some other Marketing channels to help
support local businesses from the trail riders of the Bonn Trae.

STAY TUNED!

CONTINUED TO P. 3

OWNERS APPRECIATION

by Tommy Summers

Hello all,

I'm very excited for the 2020-2021 snowmobile season!!! My name is Tom Summers, I reside in the K,H and R Township. Being born and raised in the area and employed in Killaloe for the past 25 years, I have a strong knowledge of the community. I am new to the Bonn Trae snowmobile club and hold the position of Trail Director and also responsible for Land Owner Agreements.

We are very fortunate to live in such an amazing area, we boast some of the best trails the Province has to offer. We benefit from the from the abundant availability of Crown Land and the kindness of all our Private Landowners. The Landowners allowing us to use their property enables us to access trail systems from East to West and to the North and South of us.

Thank you so much - I cannot speak enough about how your generosity benefits us all, from OFSC trail permit holders to all the local businesses and beyond.

Season preparations are well underway. First, with the cooperation of our Landowners we are able to reopen the rail bed (B102) between Killaloe and Wilno. This allows us to have a nice straight run keeping the permit holders off the road, making a smarter safer solution for all.

Again, thank you to those Landowners.

The trail has been already staked thru the Village of Killaloe and beautiful Station Park. A tentative date has been on Saturday November 21st for trail maintenance and brushing. If you are available and able to assist we would love to have you.

Please contact me at tman_tommy@hotmail.com.

Students are welcome and volunteer hours are eligible for credit towards high school graduation.

Looking forward to a safe and successful season for all.

Please feel free to reach out at anytime for trail assistance or information at the above email address.

Sledding with our daughter Vicki in 85

MONTHLY RECAP

by Lorraine Pecoskie

Hello fellow sledders,

My name is Lorraine Pecoskie, and I am your new 2020/2021 President for the BonnTrae Snowmobile club.

I first wish to send out a big **thank you** to Mike Cayer for the years of work and dedication to the club, definitely a big pair of boots to fill. I wish Mike and his wife a great winter.

I have been involved in organized snowmobiling for over 15 years now. I have held various positions with in another club from secretary, treasurer to President. I then got involved at the district level, and have been the Secretary/Treasurer for the District for the past several years.

Did you know, the Province is dividing into 16 Districts, and BonnTrae is part of District 6, which covers from down near Arnprior, up to just before Mattawa, down to past Combermere. Our District has 14 clubs, more about that next month.

Snowmobiling can be a family friendly activity, and you are never too young or too old to sled.

I want to thank all my fellow board members who have stepped up to ensure that the permit buyers enjoy the trails in our lovely area. We have some of the best trails in the province, which we all should be very proud of.

I look forward to working with this great team, and have a great sledding season.

Take care, and look forward to seeing you out on the trails, and remember:

"Families that sled together, Stay together"

Lorraine
