SIX GREAT REASONS
RAP
IS NUMBER ONE!

1. **RAP is ONTARIO'S PREMIER SHOWCASE TOUR,** offering a wide variety of Canadian Shield terrain and scenery. Trails receive priority grooming and are exceptionably well mapped, maintained and marked so navigation is easy.

2. **RAP is a turn-key tour that takes away all the guess work** - just book your lodgings and follow the on-trail RAP signs. Hospitality services, amenities and fuel stops are plentiful, easily identified from the trail and totally accessible by sled.

3. Located in the heart of Ontario's snow belt, **RAP is the closest to the Greater Toronto Area and the U.S. border states.** With multiple entry points, RAP is easily accessible from every direction by road or trail.

4. **RAP offers many tour choices,** from three-day core ride on its main TOP trails to longer extended loops that include many outstanding and inter-connected regional trails.

5. **RAP removes all the worries and hassles:** its distances are clearly and accurately marked; you know up front where to stay, eat, gas up, or get assistance if needed; and there are more than a dozen snowmobile-friendly communities ready to welcome you.

6. **Where else can you depart, ride 900 kms of superb trails, never ride the same trail twice, and return to where you left off with a smile on your face.**
