

SNOW COUNTRY
Snowmobile Region

Welcome to
Snow Country
Snowmobile
Region
Eastern Ontario's Most Scenic Trails

1-877-376-7669
www.snowcountrysnowmobilerregion.ca

For snowmobilers the landscape of Eastern Ontario is 100% Canadian Shield. Enjoy over 2700 km's of super sledding across rolling farmlands, scenic mixed forests and abandoned rail beds- three months of the year! Traditionally our old fashioned winters offer crisp temperatures, plenty of snow and well groomed trails from mid-December to the end of March.

911 emergency assistance
Emergency and non-emergency assistance
Be a Safe Rider. Remember, snowmobiling can be a high risk activity if you do not ride safely and responsibly. Being a Safe Rider and riding responsibly is a personal choice you make every time you operate a snowmobile. To make snowmobiling a safe recreational activity and reduce your own risk of injury or death, here are some of the safe riding behaviours that will help you make smart choices:

- Review and understand the safety guidelines for your sled.
- Stay on the marked OFSC trail.
- Keep to the right side of the trail, and when cresting hills, or when descending, always stay on the right.
- Avoid consuming alcohol while riding.
- Wear an approved snowmobile helmet.
- Stop before crossing roads and railway tracks.
- Use the approved snowmobile hand signals.
- Wear reflective clothing at night.
- Carry an emergency survival kit.

Legal provincial speed limits for snowmobiles

- 50 km/hr on trail
- 20 km/hr on highways with automobile speed limits of 50 km/hr or less
- 50 km/hr on highways with automobile speed limits of more than 50 km/hr

LEARN THE RIGHT WAY
The OFSC Driver Training Course is designed to emphasize the safe operation of motorized snow vehicles.

GET TRAINED NOW!
A snowmobile safety course taught by community based, MTO certified instructors.

• Understand safe riding techniques and tips
• Know how to prevent problems and avoid environmental hazards
• Learn Motorized Snow Vehicle Laws
• See practical video demonstrations
• Gain confidence and a safety focused attitude

Students must be 12 years of age or older
Course Fee is: \$40.00
Course length is a minimum of 6 hours
Course content is approved by the Ontario Ministry of Transportation

FOR MORE COURSE DATES AND LOCATIONS VISIT WWW.OFSC-ON.CA

ASSUMPTIONS FOR OFSC TRAIL USE
AS AN OFF-ROAD EXPERIENCE, SNOWMOBILING IS AN INHERENTLY RISKY ACTIVITY. The OFSC assumes every rider using an OFSC Prescribed Trail understands and accepts that:

- All snowmobilers will be operated under a lawful trail use permit;
- All operators and passengers willingly use the trails at their own risk;
- Operators and passengers know and will obey the law, including The Occupiers' Liability Act, The Motorized Snow Vehicles Act and the Trespass to Property Act;
- It is recognized and accepted that snowmobiling is essentially an off-road activity taking place in an unpredictable natural environment;
- The OFSC is a volunteer-based organization with finite resources and manpower;
- It is not practical, possible or desirable to maintain all trails uniformly or to remove all potential hazards;
- The OFSC is providing the privilege of trail access without any guarantee of service or quality;
- Operators and passengers will not consume alcohol prior to or while using the trails;
- Operators and passengers will be prudent and responsible and shall ensure that snowmobilers are operated with appropriate care and control at all times;
- Operators and passengers know that snowmobiling competently and understand that the operation of snowmobiles requires full cognitive abilities;
- Weather conditions affect trails and snowmobile operation and they may change without warning;
- The maximum speed on trails is 50km/h unless reduced by law or conditions;
- There may be permitted users on the trail other than snowmobilers;
- Operators will stay to the right of the trail, notwithstanding that there are other users;
- Operators know that there may be grooming or other maintenance activities under way at any time of the day or night which may take up the whole or any part of the trail and have the right of way;
- Operators and passengers know that snowmobile trails are not engineered highways;
- All operators and passengers know and will adhere to the principles published as the Safe Riders Pledge by the International Snowmobile Manufacturers' Association;
- Operators and passengers are aware that emergency and cell phone service may not be available;
- Operators and passengers are aware that there are generally no legal requirements for signage on trails and, when provided, it is only for assistance and convenience;
- Operators and passengers know that snowmobiling on OFSC trails is regarded as a family-oriented activity;
- Operators and passengers know the unique and particular dangers of ice crossing;
- The grooming and maintenance of trails, when provided, is meant solely to enhance the comfort and enjoyment of the safe and prudent operators and passengers;
- Operators and passengers will dress appropriately for all conditions and will have appropriate safety and emergency equipment at all times.
